

TEEN RACE CAMP

AT MONTICELLO MOTOR CLUB

WHAT TO BRING

Clothing:

Campers should prioritize being comfortable, as there is a lot of constant movement at the track. Clothing with more coverage (i.e. long pants, shirts that don't show stomach/midriff) is safer to wear in the pits. Note that students do NOT need to bring any of their own racing equipment. However, if a camper has any of his or her own gear, you are encouraged to bring it.

Recommended:

- Long pants
- Short-sleeved shirts (it can get pretty hot in Monticello!)
- Comfortable sneakers
- Athletic clothing
- Socks
- Long sleeve shirts
- Pajamas
- Sweatshirt/jacket for cold nights
- Toiletries
- Racing suit, gloves, shoes, and helmet (not required and only if he/she owns gear already; MMC can provide anything that the campers may need.)

On personal items:

Sleeping arrangements and all food will be covered, so no need for sleeping bags, pillows, or excessive snacks. Phones, computers, and other any personal electronic devices are permitted, but our schedule is busy enough that students will likely not use them often.
